- 5) Now the system will ask you for the date you would like to reserve and the facility type. In the case of Hagan, there are cabins, camp sites (tent camping), Quartermaster (canoes!), and buildings (HQ). Repeat steps 4 & 5 until you have all of the items you would like to reserve. If you wanted to tent camp and rent canoes at Hagan you would repeat these steps twice. Once for the camp site and once for the canoes.

Here you can see that Hagan's campsite 1 is not available Friday night or Saturday night by the X and the fact that you can not select that date for site 1.

**Old North State Council's Camp Use Policy**

Hagan falls under ONSC General Council policies in addition to these specific policies set forth.

Units may request certain buildings and sites during their reservation. Special training may be required depending on activities. Council Aquatics and Council Facilities committees are responsible for guidelines for property use.

Aquatics:

Swimming:

- Cub Scouts are NOT permitted to swim at Hagan.
- Scouts, Venturers, Sea Scouts and Explorers are not allowed to swim from the shore.
- The only swimming area will be from the dock, and all swimmers must wear personal flotation devices (pfd).
- Units must bring the appropriate material to mark their swimming area in accordance with Safe Swim defense.

Boating:

- High Rock lake is considered "moving water" and therefore, per BSA guidelines, NOT open to Cub Scout boating.
- No Cub Scout is allowed on the dock for any reason.
- Boating is permitted by Troops, Crews, Ships & Exploring Post. Each unit must follow the Guide to Safe Scouting and BSA Safety Afloat.
- Units must provide the names of the trained leaders at the time of reservation. If that leader is not able to attend, the unit must contact the council with the new leader(s) for verification. Once qualification is verified by the council, the Ranger will be notified. If the trained leader(s) are not on site, unit may not participate in water activities.

Fishing:

- Fishing is permitted by all Scouts.

I have read and agree to the council policies. [View Policy](#)
